

Demonstrations

Third Degree instructors and staff will demonstrate the art of glassblowing. Demonstrations are booked in hour increments with a one hour minimum. Flameworking demonstrations are also available.

All groups must make an appointment at least two weeks in advance. Demonstrations are normally scheduled Wednesday-Saturday during gallery hours, 10am-5pm. We are happy to accommodate demonstrations outside of normal business hours; however an additional fee may apply. Groups who arrive late forfeit that time from their demonstration.

The type of glass piece made is at the discretion of the artist and belongs to him/her and is NOT included in the price of the demonstration. The piece may be sold separately for a price set by the artist. Pieces will be ready for pick up within 24-36 hours of creation.

Hands-on Activities: Guided Paperweights, etc.

Working one-on-one with a Third Degree instructor, you can create your very own glass paperweight. Another option is to work with colorful glass pieces to make tiles to be fired in our kilns and fused into a great keepsake. Tiles may be made into magnets or window hangers.

PLEASE NOTE: Paperweights and glass tiles require at least 24-36 hours of cooling time before they are ready for pick up. You **WILL NOT** be able to take them with you the day of your activity.
